Divinings: Religion at Harvard Rodney L. Petersen, 2014-09-17 Harvard has often been referred to as godless Harvard. This is far from the truth. Fact is that Harvard is and always has been concerned about religion. This volume addresses the reasons for this. The story of religion at Harvard in many ways is the story of religion in the United States. This edition will clarify this relationship. Furthermore, the question of religion is central not only to the religious history of Harvard but to its very corporate structure and institutional evolution. The volume is divided into three parts and deals with the Formation of Harvard College in 1636 and Evolution of a Republic of Letters in Cambridge (First Light, Chapters 1-5); Religion in the University, the Foundations of a Learned Ministry and the Development of the Divinity School (The Augustan Age, Chapters 6-9); and the Contours of Religion and Commitment in an Age of Upheaval and Globalization (Calm Rising Through Change and Through Storm, Chapters 10-12). The story of the central role played by religion in the development of Harvard is a neglected factor in Harvard's history only touched upon in a most cursory fashion by previous publications. For the first time George H. Williams tells that story as embedded in American culture and subject to intense and continuing academic study throughout the history of the University to this day. Replete with extensive footnotes, this edition will be a treasure to future historians, persons interested in religious history and in the development of theology, at first clearly Reformed and Protestant, later ecumenical and interfaith.

Assassins are not always the bad guys. In *Abbarkon*, it is best to keep your head down and your guard up. As long as he can remember, 14-year-old Flint has done exactly that. He ignores both the whispers of a monster named Martokallu and the rumours of a rebel group assassinating high-born dukes. Those stories mean little to him as he washes dishes and scrubs floors. On the one day

that Flint breaks his own rule to defend a friend, his master ends up dead. Accident or not, Flint is sentenced to death. Hearing of his exploits, the Hawks rescue him from the executioner and whisk him away to the hidden village of Halklyen. Experts with their blades and bows, the rebels are the true defenders of the kingdom. They give Flint a sword and teach him how to use it. Before long, Flint learns that the dark sorcerer, Martokallu is real. When the Hawks are forced into the open, Flint is ready to join the fight. Will the Hawks be strong enough to win against an army of Martokallu's Followers? Book 2: The God Sword The dwarves guard a secret. The Hawks must prove they are worthy. The Kingdom of Abbarkon is safe. There is a new king and Martokallu is dead. Or is he? If he returns, the Hawks will need the God Sword. Contributors include Robin Webb, Rod Coronado, Ingrid Newkirk, Paul Watson, Karen Davis, Bruce Friedrich, pattrice jones and others.

A Slip of the Keyboard Terry Pratchett, 2014-09-23 A collection of essays and other non fiction from Terry Pratchett, spanning the whole of his writing career from his early years to the present day. Terry Pratchett has earned a place in the hearts of readers the world over with his bestselling Discworld series -- but in recent years he has become equally well-known and respected as an outspoken campaigner for causes including Alzheimer's research and animal rights. *A Slip of the Keyboard* brings together for the first time the finest examples of Pratchett's non fiction writing, both serious and surreal: from musings on mushrooms to what it means to be a writer (and why banana daiquiris are so important); from memories of Granny Pratchett to speculation about Gandalf's love life, and passionate defences of the causes dear to him. With all the humour and humanity that have made his novels so enduringly popular, this collection brings Pratchett out from behind the scenes of the Discworld to speak for himself -- man and boy, bibliophile and computer geek, champion of hats, orangutans and Dignity in Dying. *Snuff* was the bestselling adult hardcover novel of 2011. *A Blink of the Screen*, Terry's short fiction collection, was also one of the bestselling hardcovers of 2012.
