*Help Your Kids Learn and Love the Bible* Danika Cooley, 2021-06-08 As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child's relationship with the Lord through his Word.

**Belt of Truth** Theresa Linden, 2019-04-23 Perfect for children preparing for the sacraments, *Belt of Truth* is book 1 in the *Armor of God Catholic children's fantasy-adventure chapter book series*. George Pennington faces tryouts, hoping to be among the few admitted to Knight School for Boys and Girls. Then he learns what he must do to earn the first piece of armor: The Belt of Truth.

**What Would Jesus Craft?** Ross MacDonald, 2015-11-03 *What Would Jesus Craft?* is a hilarious take on a Sunday school's craft book, featuring 30 simple projects that are all made from commonly found items like popsicle sticks, glitter, yarn, and pipe cleaners. Projects include items for your home, pets, and family and author Ross MacDonald provides clear step-by-step photographs. Now you can finally complete your wardrobe with a Fedora of Thorns and Jesus Jean Jacket with Christ Almighty emblazoned on your back; your pets will be blessed and protected when they sport a Be Not Afraid St. Francis Pet Collar dripping with St. Francis charms and a crucifix; and the light of the Lord will bless every inch of your home with Let There Be Light Switches, an Eye-See-You-in-Hell Mirror, a Time to Obey the Lord Clock, and much, much more!

*How Did We Get the Bible?* Tracy M. Sumner, 2015-01-01 Readers will gain even more appreciation for their Bible when they see how God directed its development, from the original authors through today's translations. *How Did We Get the Bible?* provides an easy-to-read historical overview, covering the Holy Spirit's inspiration of the writers, the preservation of the documents, the compilation of the canon, and the efforts to bring the Bible to people in their own language. This fascinating story, populated by intriguing characters, will encourage readers with God's faithfulness—to His own Word, and

to those of us who read it. It's a fantastic, value-priced resource for individuals and ministries!

The Craft and Science of Coffee Britta Folmer,2016-12-16 The Craft and Science of Coffee follows the coffee plant from its origins in East Africa to its current role as a global product that influences millions of lives through sustainable development, economics, and consumer desire. For most, coffee is a beloved beverage. However, for some it is also an object of scientific study, and for others it is approached as a craft, both building on skills and experience. By combining the research and insights of the scientific community and expertise of the crafts people, this unique book brings readers into a sustained and inclusive conversation, one where academic and industrial thought leaders, coffee farmers, and baristas are quoted, each informing and enriching each other. This unusual approach guides the reader on a journey from coffee farmer to roaster, market analyst to barista, in a style that is both rigorous and experience based, universally relevant and personally engaging. From on-farming processes to consumer benefits, the reader is given a deeper appreciation and understanding of coffee's complexity and is invited to form their own educated opinions on the ever changing situation, including potential routes to further shape the coffee future in a responsible manner. Presents a novel synthesis of coffee research and real-world experience that aids understanding, appreciation, and potential action. Includes contributions from a multitude of experts who address complex subjects with a conversational approach. Provides expert discourse on the coffee value chain, from agricultural and production practices, sustainability, post-harvest processing, and quality aspects to the economic analysis of the consumer value proposition. Engages with the key challenges of future coffee production and

potential solutions.

**The Craft of Scientific Presentations** Michael Alley,2006-05-17 This timely and hugely practical work provides a score of examples from contemporary and historical scientific presentations to show clearly what makes an oral presentation effective. It considers presentations made to persuade an audience to adopt some course of action (such as funding a proposal) as well as presentations made to communicate information, and it considers these from four perspectives: speech, structure, visual aids, and delivery. It also discusses computer-based projections and slide shows as well as overhead projections. In particular, it looks at ways of organizing graphics and text in projected images and of using layout and design to present the information efficiently and effectively.

**The Glory Now Revealed** Andrew M. Davis,2021-10-19 Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us. But what actually happens in heaven? What are we going to be doing there? Won't it get boring at some point? According to Scripture, a large part of our experience of heaven will be a continual revealing of God's glory. Not just his glory in the moment, but during all of time. The mysteries of providence, the hidden movements of God throughout history, and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise, loving, gracious, and powerful our God is. And though we will experience perfection in heaven, we will never be omniscient, which means we will always be learning more about God's glory, inspiring us to return joyful praise and thanksgiving. If your vision of heaven has been limited to clouds and harps and

angels, it's time to expand that view with the truth found in this biblically based look at the afterlife.

*Whole Life Worship* Sam Hargreaves, Sara Hargreaves, 2017-03-28 This book is a continuation of the LICC series begun by Neil Hudson's *Imagine Church*. *Whole-Life Worship* will demonstrate that the contemporary Western Church has reached a point where our gathered worship is separated from our scattered lives outside of church. This is detrimental to the congregation's spiritual development and their effectiveness on their frontlines. Church worship should be inspired and informed by our everyday experiences. It should empower and send the congregation out to continue worshipping. The book will provide patterns and resources to better connect gathered worship with the lives of the congregation beyond church meetings. The book will unpack a biblical grounding for both gathered and scattered worship. It will then identify patterns within our gathered services which help us re-make these connections. It will provide practical resources such as songs, prayers and activities which can help churches connect Sunday to the rest of the week. It will draw examples and stories from other church streams and traditions, to demonstrate how different kinds of Christian spirituality engage worshipfully with everyday life. In the second half of the book is a practical resource looking specifically at different aspects of a gathered service, and how each one can have an outward dimension.

**Persuasions of the Witch's Craft** T. M. Luhrmann, 1991 To find out why reasonable people are drawn to the seemingly bizarre practices of magic and witchcraft, Luhrmann immersed herself in the arcane world of Londoners who call themselves magicians. Her report is as fascinating as the esoteric world itself. Illustrated.

**Precious Remedies Against Satan's Devices** Thomas Brooks, 1810

*Craft Brewed Jesus* Michael Camp, 2016-04-08 What if the modern American church has its Christian history wrong? According to ex-evangelical Michael Camp, most American believers fail Christian History 101. Drawing on his own historical research and missionary experience, he discovers that most popular Christian views of the Bible, church, sin, salvation, judgment, the kingdom of God, the end times, and the afterlife--pretty much all religious sacred cows--don't align with the beliefs of the original Jesus movement. Some of them not even close. Camp's *Craft Brewed Jesus* paves a fascinating journey of a group of disillusioned evangelicals and Catholics. When they decide to meet regularly over craft beers to study the historic foundations of their faith, their findings both rock their world and resolve ancient mysteries. They examine well-documented narratives of the early Jesus saga, Eastern streams of a lost Christianity, and the roots of our modern religious assumptions, all while striving to steer clear of either a conservative or liberal bias. What they uncover is a vital, refreshing spiritual paradigm no longer at odds with reality. Grab your brew of choice and trace this transformational journey based on a true story that will encourage you in your walk of life and faith.

**Sometimes the Truth Hurts (Before It Sets You Free)** Denise Gambone, 2023-05-26 Fortunes and misfortunes, experiences and adversity endured in life are sometimes the result of choices we make, sometimes due to events we have no

control of. My name is Denise. These are my stories. It was a time of clashing values, the end of the freewheeling 60s, the beginning of the tumultuous 70s, and the evolving 80s. Told in her distinctive style, Sometimes the Truth Hurts are stories of loss, rebellious youth, stubborn independence, and determination to overcome adversity and achieve a secure and better place in life. Unexpected outcomes, irony and humor resonate throughout, reflecting perseverance of the human spirit. Some stories may be considered controversial, but are told openly and honestly without moral judgement, life lessons, contemporary and timeless, rendered unabashedly from the heart and soul.
