TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019) U.S. Department of Health and Human Services,2019-11-19 Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational approaches increase client resistance and discord in the counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way.

Coach K Ian O'Connor,2022-02-22 The definitive biography of college basketball's all-time winningest coach, Mike Krzyzewski Mike Krzyzewski, known worldwide as "Coach K," is a five-time national champion at Duke, the NCAA's all-time leader in victories with nearly 1,200, and the first man to lead Team USA to three Olympic basketball gold medals. Through unprecedented access to Krzyzewski's best friends, closest advisers, fiercest adversaries, and generations of his players and assistants, three-time New York Times bestselling author Ian O'Connor takes you behind the Blue Devil curtain with a

penetrating examination of the great, but flawed leader as he closes out his iconic career. Krzyzewski built a staggering basketball empire that has endured for more than four decades, placing him among the all-time titans of American sport, and yet there has never been a defining portrait of the coach and his program. Until now. O'Connor uses scores of interviews with those who know Krzyzewski best to deliver previously untold stories about the relationships that define the venerable Coach K, including the one with his volcanic mentor, Bob Knight, that died a premature death. Krzyzewski was always driven by an inner rage fueled by his tough Chicago upbringing, and by the blue-collar Polish-American parents who raised him to fight for a better life. As the retiring Coach K makes his final stand, vying for one more ring during the 2021-2022 season before saying goodbye at age 75, O'Connor shows you sides of the man and his methods that will surprise even the most dedicated Duke fan.

Football Scouting Methods Steve Belichick,2008 Considered the bible of scouting techniques according to the Los Angeles Times, Football Scouting Methods explains the basic scouting strategies and insights of author Steve Belichick. He

was widely viewed as the ablest football scout of his time and coached at the U.S. Naval Academy for 33 years; his son is New England Patriots coach Bill Belichick, a three-time Super Bowl winner. When Steve Belichick died in November 2005, the New York Times headline cited him as Coach Who Wrote the Book on Scouting, and quoted Houston Texans General Manager Charley Casserly calling *Football Scouting Methods* the best book on scouting he had ever read. Joe Bellino, Navy's Heisman Trophy winner in 1960, told the Times that Steve Belichick was a genius. On Monday nights, he would give us his scouting reports, and even though we were playing powerhouses, I always felt we were prepared because he found a way for us to win. In recent years *Football Scouting Methods* has been one of the top ten most sought out-of-print books; used copies have been quite scarce. This reissue edition makes the original 1962 text available once again in exact facsimile. The book covers how to scout opponents, recognize defenses, analyze offenses, discover tip-offs that reveal the opponent's plays, compose a useful report, self-scout, and conduct postgame analysis. Steve Belichick taught many younger men how to scout and how to watch film and how to prepare their teams for the next week's game, David Halberstam noted in the Washington Post, and his best student was his own son Bill Belichick, one of whose greatest skills as a coach to this day remains his ability to analyze other teams, figuring out both their strengths and their vulnerabilities, and shrewdly deciding how to take away from them that which they most want to do. When CBS asked Bill Belichick to name his favorite book, he replied Well, I've got to go with my dad's. *Football Scouting Methods*. I'd have to go with that.

Go Blue! Steve Kornacki, 2013-09-01 Some of greatest untold stories from Michigan's football program are shared in this

book based on intimate interviews with former players and coaches. Due to his long history covering Michigan football, author Steve Kornacki was given open-door access to Lloyd Carr, Bo Schembelcher, and Gary Moeller, all of whom provided hours of their time sharing their personal accounts and of occurrences during their coaching tenures; the stuff that legends are made of. Stories include being in the Michigan locker room after Bo Schembechler's last game in the Big House and hearing his rousing speech leading the team in "The Victors" as they punctuated each verse by thrusting red roses toward the ceiling. Coach Carr tells about riding in a limousine through New York on the eve of the Heisman Trophy presentation with Desmond Howard en route to a meeting at NBC Studios with Tom Brokaw and a night in the green room at Late Night with David Letterman. A more heartfelt yarn is the "American Dream" tale of quarterback Elvis Grbac's Croatian family and the story of center Steve Everitt's family surviving Hurricane Andrew in a bathtub with the family dog and his 1990 Gator Bowl MVP trophy. Go Blue! reaches back to those special places in time in the program's history in addition to sharing heartwarming anecdotes. This collection is something no Michigan football fan will want to be without.

At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.
